It may be that men and women will necessarily be united more or less in our important mission fields. If this is the case, they cannot be too circumspect. ... Let the workers keep up the barriers of reserve; let not one instance occur of which the enemy can make capital. If they begin to place their affections upon one another, giving special attention to favorites and using flattering words, God will withdraw His Spirit. {5 Testimonies 594.1} ¹

While we should cultivate sociability, let it not be merely for amusement, but for a higher purpose. {Gospel Workers 125.2} ²

4. No solitary movements and no loitering after darkness.
5. No murmuring, whispering, or any other inappropriate mannerisms that tend to distract.
6. Decent clothing at all times, which includes:
 - No make-up or jewelry, nail polish,
 - Decent no tight clothing for both ladies and gentlemen.
 - Avoid jeans at all cost
 - Ladies skirts must extend below the knees when seated.
